

CHIPER N2/CAREB REB SOP ADDENDUM

CHIPER has adopted the N2/CAREB REB SOPs. However, in order to reflect specific CHIPER requirements, this addendum must be used in tandem with the SOP noted below*.

Addenda have been prepared only where the N2/CAREB SOP is insufficient with respect to CHIPER's SOPs.

There are no addenda when the only change would be to replace REB with CHIPER.

N2/CAREB SOP 105B – CONFLICTS OF INTEREST – RESEARCHER

SOP Section	CHIPER Addendum
5.1.2 The Researcher is additionally required to provide information on the clinical trial budget , as applicable, when submitting a research application.	5.1.2 The Researcher is additionally required to provide information on the research project budget , as applicable, when submitting a research application.
5.2.5 The REB may approve the research and may require a management plan, which may include changes at the Researcher's or sponsor's expense, to eliminate or to mitigate the conflict. Required actions may include, but are not limited to:	5.2.5 When submitting a COI declaration, the researcher must include a proposed management plan, or sufficient rationale to support the absence of a management plan. The REB may approve the research and, if applicable, the implementation of the management plan, which may include changes at the Researcher's or sponsor's expense, to eliminate or to mitigate the conflict. Required actions may include, but are not limited to:
5.2.8 After review by the REB and input by the appropriate Organizational Official, if applicable, the REB may reject research that involves a COI that cannot be appropriately managed.	5.2.8 After review by the REB and input by the appropriate Organizational Official and/or Participating Institution official , if applicable, the REB may reject research that involves a COI that cannot be appropriately managed.
