

## CHIPER N2/CAREB REB SOP ADDENDUM

CHIPER has adopted the N2/CAREB REB SOPs. However, in order to reflect specific CHIPER requirements, this addendum must be used in tandem with the SOP noted below\*.

Addenda have been prepared only where the N2/CAREB SOP is insufficient with respect to CHIPER's SOPs.

There are no addenda when the only change would be to replace REB with CHIPER.

### N2/CAREB SOP 401 – DELEGATED REVIEW

SOP Section	CHIPER Addendum
5.2.4 In reviewing the research under delegated procedures, the REB Chair or designee may exercise all of the authorities of the REB, except that he/she may not disapprove the research; the research may be disapproved only after it has been reviewed by the REB at a Full Board meeting;	5.2.4 In reviewing the research under delegated procedures, the REB Chair or designee may exercise all of the authorities of the REB, except that he/she may not disapprove the research; the research may be disapproved only after it has been reviewed by the REB at a Full Board meeting. <b>Additionally, If the REB Chair or designee considers that action is needed to protect the safety or privacy of Participants, the REB Chair or designee may take such action immediately and/or request a review of the reports of unanticipated problems or safety updates at a convened meeting or by a subcommittee, to determine what further action, if any, is required;</b>
